Art Santa Fe 2025 is celebrating its 25th Anniversary edition in 2025! The only contemporary fair in Santa Fe (and the third largest art market in the U.S.), promises to offer collectors, gallery owners, art dealers, designers, and shoppers the unique opportunity to connect with galleries, designers, artists, and makers—all under one roof.

Situated in the beautiful Santa Fe Convention Center, it's the perfect opportunity to step into Santa Fe's relaxed atmosphere and enjoy stimulating art and culture, fantastic food, and historic architecture during Santa Fe Art Week and return of Art Santa Fe.

Art Santa Fe brings collectors and art fans from around the country to enjoy a dizzying array of exhibits, events, and live artwork demonstrations. More than 85+ national and international galleries and independent artists will showcase hundreds of extraordinary works from around the world. Whether a gallery or an independent artist exhibiting, Art Santa Fe is where you can meet the artist, learn about their work, and support the artists when you add their work to your collection.

Art Santa Fe features an architecturally designed floor plan with well-appointed booths and a central gathering area. Wide, spacious aisles allow for smooth flow of traffic and streamlined browsing. Gallery style white walls and lights are included.

New for Art Santa Fe 2025, the Objects & Design Pavilion will showcase designers and artisans specializing in handcrafted functional and decorative objects. This dedicated space highlights beautifully designed furniture and décor that blend artistry with everyday functionality, offering visitors an inspiring collection of pieces that are both practical and visually stunning.
