**December 6 - 10, 2023**  
**12 Noon to 8:00pm daily**  
**Mana Wynwood Convention Center**

Now in its 13th year, Spectrum Miami, a curated contemporary art fair held within 150,000 square feet of indoor exhibition space at Mana Wynwood Convention Center, takes place annually in December as part of the popular Miami Art Week. Spectrum Miami is where contemporary meets extraordinary, featuring the works of more than 200 exhibiting galleries and artists from the Florida region and around the globe. Now in its 18th year, Red Dot Miami, a curated gallery-only contemporary art fair also located in Mana Wynwood, takes place annually in December as the sister show to Spectrum Miami during Miami Art Week. Red Dot Miami features up to 65 modern and contemporary galleries representing over 500 leading contemporary artists from primary and secondary markets throughout the world. Red Dot Miami has enriched the city's arts scene beyond measure since its inception in 2006, becoming one of the leading satellite shows during Miami Art Week.

The only two fairs under one roof takes place December 6—10, 2023, and will collectively showcase over 1000 artists among more than 40,000 international visitors and high-net-worth collectors, who interact with the specially curated programming, while celebrating the fine art experience with music, entertainment, and other special events, all within walking distance of Wynwood's coveted restaurants, bars and retail boutiques.
