

All Facility and Onsite Guidelines will be strictly followed, which may include:

Health and safety signage/visual aids with clear messaging and easy visibility

Lower capacity and circulation control measures to support social distancing

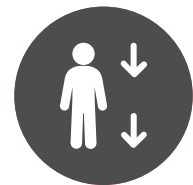

Food and beverage service guidelines

Extensive and on-going cleaning throughout

Wider aisles

One way traffic

Hand sanitizing stations at entrances and throughout the venue

Fewer public areas with less public seating

All Health and Medical Guidelines will be strictly followed. As changes may occur at any time, we may be required to include:

- Ticketing pre-registration
- Contactless and queued check-in
- Proof of vaccination and/or health checks prior to entry
