**SPECTRUM MIAMI AND RED DOT MIAMI ANNOUNCE  
SCHEDULE OF PROGRAMMING FOR MIAMI ART WEEK**

Spectrum Taste District, Spectrum Art Theater and Ozzy Osbourne x Save The Chimps exhibit are among the highlights for the 2025 edition.

**Miami, FL – November 24th, 2025:** Spectrum Miami and Red Dot Miami, two of the longest running contemporary and fine art fairs during Miami Art Week, announces this year's five-day schedule of interactive programming, taking place **December 3—7, 2025**.

Spectrum Miami and Red Dot Miami will return to Wynwood Arts District this year, at **Mana Wynwood Convention Center** at 2217 NW 5th Ave. and NW 22nd St. – with *Two Fairs Under One Roof*, offering a world-class experience for both exhibitors and art enthusiasts during this year's Miami Art Week. The fairs will cover more than 150,000 square feet of exhibition space, with an estimated 30,000 attendees flocking to see the artwork of more than 1,000 artists showcased by over 280 exhibitors. Avid art enthusiasts and industry leaders will also return to enjoy **[SOLO]**, highlighting established and independent emerging artists. Spectrum Miami and Red Dot Miami are accessible for visitors on foot and by car, as the only fairs to have **on-site parking**, all within walking distance from Wynwood's popular restaurants, bars and retail boutiques. "We're pleased to announce this year's highly anticipated schedule of programming for Spectrum Miami and Red Dot Miami," says Eric Smith, President of Redwood Art Group. "This year's program will include our usual lineup of exciting exhibitors from around the world, as well as a host of new activations for attendees to enjoy. The new Spectrum Taste District will feature LALO Tequila, Mabi Artisanal Tea and Bubba Ice, and our returning liquor sponsor, Empress 1908 Gin, will also have its popular pop-up installation throughout the week. The Red Dot Lounge will be a perfect spot to unwind—and this year it's getting an international twist with Estrella Galicia, Spain's one-of-a-kind beer. The Spectrum Art Theater returns for a second year, with live art demonstrations by some of today's most innovative artists, and "The Prince of Darkness," the late Ozzy Osbourne, collaborated with Save The Chimps and its most artistic primates from one of the largest chimpanzee sanctuaries in the world, to present a joint collection."

This year's program features an extensive series of daily activities for attendees, that includes the **Spotlight Program**, a focused look at several cutting-edge galleries and artists chosen by the Redwood Art Group selection committee; **Art Labs**, a series of outstanding projects by leading galleries, art institutions, and art collectives within the fair; **Meet the Artists and Live Demonstrations**, presenting an interactive experience—allowing attendees to get up-close-and-personal with the artists; and **The Discoveries Collection**, – selections of artwork chosen by the Redwood curatorial team that make up a group of amazing discoveries throughout both fairs, each priced at \$3,000 or less.

To mark commencement of the five-day global showcase in contemporary art, culture and entertainment, the annual **Opening Night VIP Preview** takes place on **Wednesday, December 3**, between 6:00 p.m. and 9:00 p.m., presented by **Empress 1908 Gin**, with musical entertainment by **DJ Joey Paradis**. Hundreds of the world's most affluent art dealers, collectors, artists, gallery owners, curators and art enthusiasts attend the opening night extravaganza for Spectrum Miami and Red Dot Miami on an annual basis, to get a first look at the inspirational works by the more than 280 exhibiting artists and galleries from around the world.

**Spectrum Miami**, now in its 15th year, is where contemporary meets extraordinary, featuring the works of more than 200 exhibiting galleries and artists, located adjacent to its sister fair, Red Dot Miami.
